# Abstract

## **In this whitepaper, we present MonopolyMeta, one of the fastest growing cryptocurrencies of its kind**

Launched in July 2022, MonopolyMeta is on a mission to bring crypto to the average person while also helping save LAND diggers in need.

MonopolyMeta is created after the MonopolyGame and is built on the Ethereum – Blockchain.

The MonopolyMeta is a virtual reality (VR) game that runs on the Ethereum – Blockchain.

Players explore a 3D virtual world and purchase digital with the native ERC-20 token from MonopolyMeta, MANA, and digital LAND, which they own permanently. They can buy other goods and services on the MonopolyMeta – marketplace.

All transactions are stored on the Ethereum blockchain. Users have complete control over their virtual Land and MANA. A new crypto birthed by members of the decentralised online community. MonopolyMeta is a revolutionary virtual LAND gaining digital coin.

# Disclaimer

MonopolyMeta, including but not limited to the overall project, token, website, smart contracts and any app presented in this concept paper, is not a licensed, unlicensed or exempt financial or payment service of any kind or in any jurisdiction. Any terminology used in this whitepaper, on the website or within the app is intended as a basic reference only, without any effective or legal meaning of the same terms in a regulated and/or financial environment.

MonopolyMeta is a fully decentralized and collaborative project and has no owners, shareholders, promoters, marketers, managers, directors or other figures or entities exercising any form of governance; the MonopolyMeta Smart Contracts are open source, security cleared, permanent and not alterable in any way.

The MonopolyMeta token is a pure utility token in any jurisdiction and cannot be considered a security or otherwise a regulated token of any kind, is in no way e-money and/or a fiat or asset-backed stablecoin, whether global or limited in scope.

This whitepaper does not in itself constitute a contract or contractual agreement of any kind, is not an invitation, solicitation or offer to invest in MonopolyMeta or to acquire or use its MonopolyMeta Tokens in any manner and with the expectation of profit in any form.

Each user of MonopolyMeta agrees that prior to and after accessing and/or reading this whitepaper, the Website and using any part or element of MonopolyMeta (including the MONOPOLYMETA Tokens contained therein), he/she will seek appropriate technical, administrative, regulatory and legal advice.

He/she acknowledges, that access to, acquisition of, or use of blockchain and/or crypto systems, tokens, platforms, software, interfaces including MonopolyMeta involves a high degree of risk and further acknowledges with full disclaimer to any Community Member directly or indirectly participating in MonopolyMeta that any type of loss, up to and including total loss, may occur.

# Values

**MonopolyMeta always operates in accordance with its four core values.**

## Transparency

MonopolyMeta is decentralized and supported by its community of enthusiasts. We encourage open communication and believe trust, transparency and community are the 3 pillars to building successful longevity.

## Community

MonopolyMeta is one of the fastest growing and most loved communities in crypto. We strive to include everyone from around the globe.

## Trust

In cryptocurrency market trust is paramount. That means full transparency not only in the community and development but also in security efforts. MonopolyMeta has been audited.

## Longevity

MonopolyMeta is in for the long haul. Came to stay!

Transparency

Longevity

Trust

# MonopolyMeta

## 1. Create a metamask wallet

Create a metamask wallet using either a desktop computer or an IOS/ Android mobile device. By doing so, you will be able to receive, store and send MonopolyMeta .

Note: MonopolyMeta needs to be added as a custom token by including the contract address.

## 2. Go to bitmart.com

Sign in or create a new account on Bitmart.com. Don't forget to verify your account.

## 3. Get some USDT

In order to buy MonopolyMeta , you have to buy or deposit USDT at Bitmart.

## 4. Trade USDT/MonopolyMeta (MPM)

Use the search function and look for the USDT/MonopolyMeta trading pair. Now you can trade MonopolyMeta

## How to buy

The MonopolyMeta is bought and sold exclusively through Bit- Mart. Please note that there are no official MonopolyMeta coins offered outside of Bitmart.

The MonopolyMeta is a decentralized experiment. We have decided to be listed on a renowned CEX in order to be able to offer investors a secure trading platform. If you are using a DEX instead, you should research first to make sure it's both safe and secure.

**MonopolyMeta  
is an ERC-20  
token which  
started on the  
ETH Block Chain  
July, 2022.**

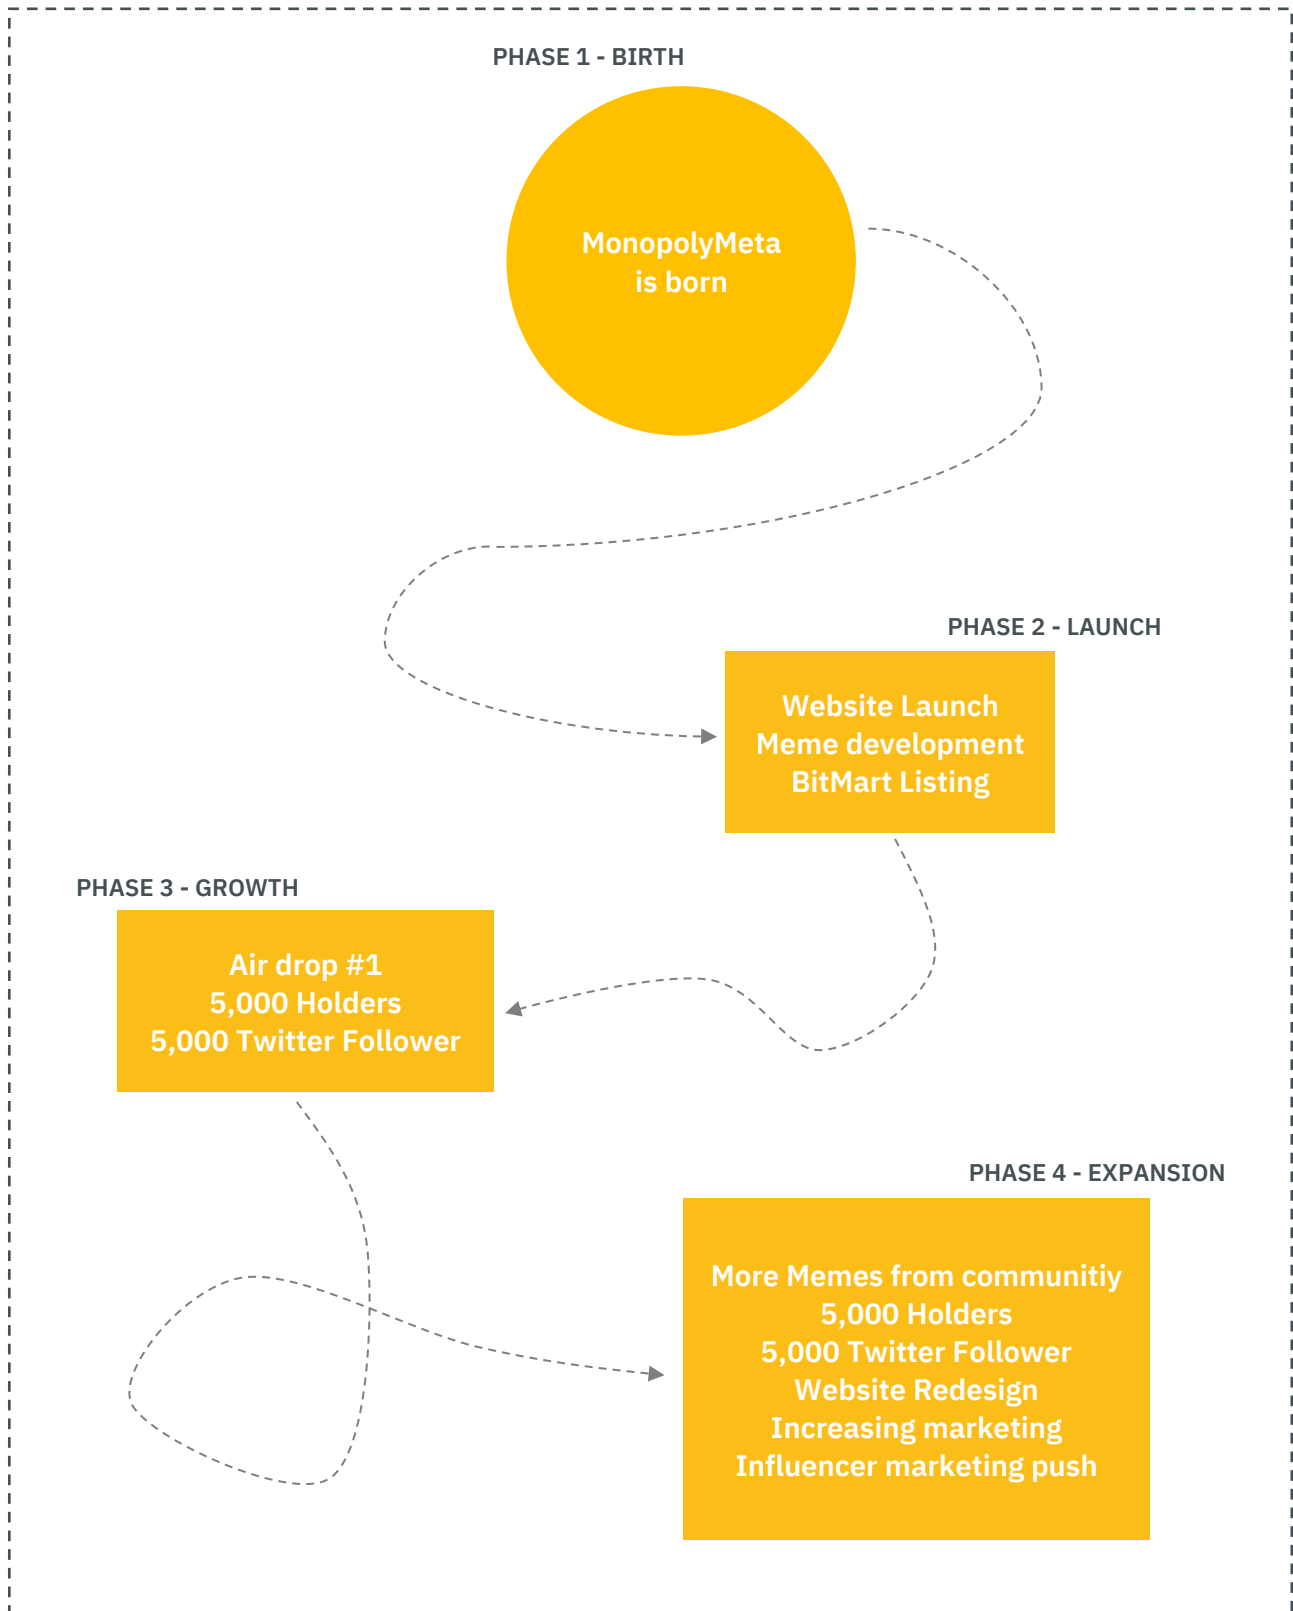

### Contract:

0x18b52F500e6D9C8b0455eC34  
83846D9f8edd7e1b

### Total Supply:

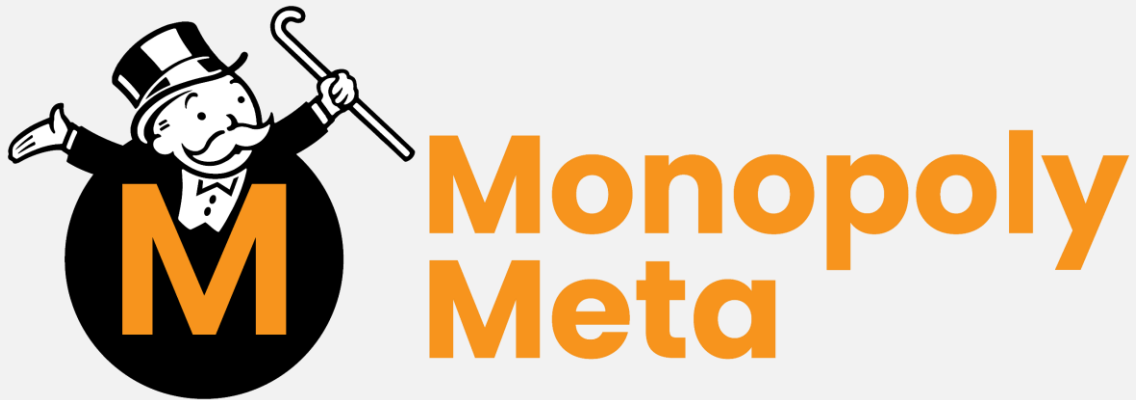

100,000,000,000,000,000
